Dear Parents and Carers,

RE: Remote Learning

Firstly, I would like to thank all parents and carers for their continued support – this is much appreciated!

As the Year 1 bubble is currently isolating, please see details of the remote provision. As detailed in our online remote education provision document, remote learning will start from tomorrow.

- Every day between 2-3pm, Mrs Burtt will upload the remote learning (for the following day). Tomorrow's learning will be uploaded today. This will be uploaded to the Year 1 class page on the Covid19 section of the website.
<https://www.gadevalley.herts.sch.uk/year-1-3/>
- Learning will be based on the curriculum - each day Mrs Burtt will try and incorporate the usual daily lessons.
- Activities will be delivered through teacher videos, online links or written tasks.
- Mrs Burtt will respond to any learning questions that pupils/parents may have between 1pm and 3pm each day.
- Mrs Burtt will facilitate a daily 'zoom' meeting which will start on Wednesday. Further details will be sent tomorrow.
- Pupils will be able to send photos of work via e-mail to Mrs Burtt.
- Mrs Burtt will post answers/feedback to activities through the website or e-mail.
- Learning activities will largely be practical to minimise the use of resources. If you require further resources, please contact the office for collection.
- Where pupils can't access the internet, please contact the office for assistance.

I fully appreciate how difficult this is for parents and children. My advice would be to do what you can - don't stress if you can't do everything.

For today, Mrs Burtt recommends the following links:
