

Dear Parents and Carers

Nursery Provision (from 25<sup>th</sup> Jan – 12<sup>th</sup> Feb)

Thank you for your patience and support during this difficult time; I am sure that you can appreciate the complexity of planning for such an uncertain and ever-changing situation. In doing so, we have considered all the guidance (and directives) available from the Government, Department for Education and Hertfordshire County Council.

As from Monday 25<sup>th</sup> January, we are open to all Nursery pupils who want a place. In helping us to plan for this provision, please could you reply via the questionnaire link attached to this e-mail.

Once we have received a response from parents, we will inform you of the provision that we are able to offer next week. At this stage, I am unable to inform you of what our offer will be. It may be the case that we are unable to offer provision for every day or provision that is based in the nurse building. However, we will to our utmost to provide provision that is safe and engaging.

Best Wishes,

Mr Barron
