Dear Parents and Carers

On Monday 27th June, Year 3 pupils will be having a Stone Age Day. This day is to support the learning in their History topic of The Stone Age. Throughout the day, we will be learning about "A Day in the life of a Stone Age person".

The pupils will be taking part in a range of activities including:

- Fire Lighting: each pupil will get the opportunity to learn how to light a fire.
- Shelter building
- Archery
- Jewellery making
- Painting: this will involve the use of charcoal.

We would ask that all pupils come in outdoor clothing suitable for a special PE session in the afternoon, playing Stone Age games, however, please be aware that they will be using charcoal and will get very dirty so old t-shirts and shorts/jogging bottoms would be ideal. They will also require trainers.

The cost of this day is £3, this is to cover resources. The pupils will be able to take their jewellery and paintings home with them. Please send payment in by Wednesday 22nd June 2022.

This day will be a great opportunity for the pupils to further their understanding of the Stone Age- and will be a very exciting day!

Kind Regards
Miss A Kavanagh
Class Teacher
