

Dear parents,

I am pleased to let you know that I will be running an Ancient Egypt day in school on Monday 11 th October 2021.

This will be a day dedicated to furthering our learning about our History topic Ancient Egypt. We will be making lots of Egyptian themed arts and crafts as part of the day.

For the day, the pupils can dress up as an Egyptian! A simple way to dress up is to wrap an old white sheet and tie it with a curtain tie. Other accessories of course can be worn too. Since we are completing different art activities, please make sure your child is wearing clothes underneath that you do not mind getting messy!

In order to support the funding of resources for the day, we would really appreciate a donation of £2 per pupil.

I am really looking forward to the day and hope that the rest of the class is too!

Kind regards,

Miss Steadman

Year 5 teacher
