

The Star Cruiser 2.0

10 Already a household name, the Star Cruiser is the trusted
18 family spaceship. Today, we're introducing you to the
24 new and improved Star Cruiser 2.0.

34 Capable of reaching the speed of light in under four
43 seconds, the Star Cruiser 2.0 is the fastest family
51 spaceship on the market. With our inbuilt, optimum
59 asteroid deflectors, your family have never been safer.

69 We've also upgraded the inside. Now, you can see the
80 rings of Saturn in the morning and the moons of Jupiter
90 in the afternoon all without needing to stop to refuel.

99 What are you waiting for? Order your Star Cruiser
101 2.0 today!
