w/c 1st March 2021

Home Learning Challenges – Growing Plants

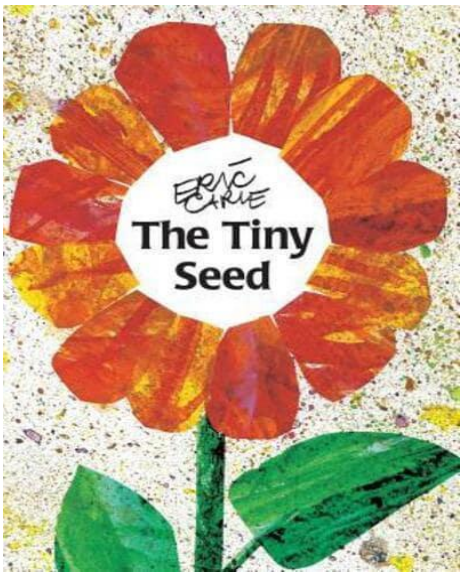
Book of the Week: **The Tiny Seed**
Song of the week: **Growing a Seed**

Daily Activities - Choose one activity to add to your Tapestry Journal

Busy Fingers

Using tweezers (if you have some) or pincer grip (thumb and first finger) pick up seeds, beans, dried peas or rice and put them into pots, cups or onto a piece of paper.

Can you match the quantity to the numeral?



Monday – Literacy/Science

The story ends with the return of Autumn, and the flower's sees being blown into the wind. Can you extend the story? What happens next? Where might the new seeds end up? What do you think will happen to them?

Tuesday – Maths

Print out the puzzle and cut up the pieces or draw different numbers of flowers or seeds on to pieces of paper and write out the numbers 1 – 10 on different pieces of paper.

Complete the puzzle – Match the quantity to the numeral by counting the number of things on each side and finding the correct number. You could use a numberline to help recognise the numerals by always counting from 1 until you reach the number you need then matching the numeral.

Wednesday - Phonics

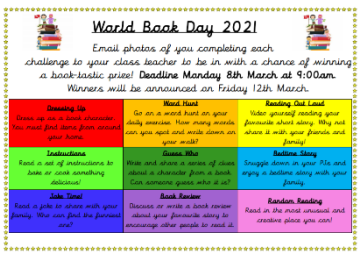
Keep practising the song for the phoneme 'p'

Practise writing the letter 'P'
Down the pirate's plait and around his face.

Thursday – World Book Day

Create a costume using dressing up clothes you already have or items you have around your home. Boxes make great robots!

Which book character will you be?
Ask an adult to take a picture and post it on your Tapestry Journal.



Choose some of the activities on the World Book Day grid to do today!

Fun Day Friday

Choose 2 or 3 activities to complete.

Read a book In the garden	Make a nest for a Dragon in the garden	Dress up as your favourite book character and act out a story
Make up a song about dragons	Make a den to have your lunch in	Make some biscuits to share with your family
Have a disco with all your toys.	Play a board game with your family	Paint or draw a picture of a fire breathing dragon
