

Growing Seeds

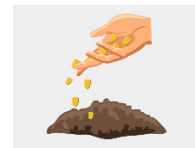

(to the tune of 'for he's a jolly good fellow!)

Go dig a hole in the garden,
Go dig a hole in the garden,
Go dig a hole in the garden
to put a seed in to grow.

Then plant your seed in the garden,
Then plant your seed in the garden,
Then plant your seed in the garden
and wait for it to grow.

Now water your seed in the garden,
Water your seed in the garden,
Water your seed in the garden
and wait for it to grow.
