## Home Learning Challenges - Elmer the Elephant (colours)

*Book of the Week:* Elmer by David McKee

*Song of the week:* I Can Sing a Rainbow.

To watch Mr Tumble sign the song click this link. <https://www.youtube.com/watch?v=yLpEGM34Fic>

### Daily Activities - Choose one activity to add to your Tapestry Journal

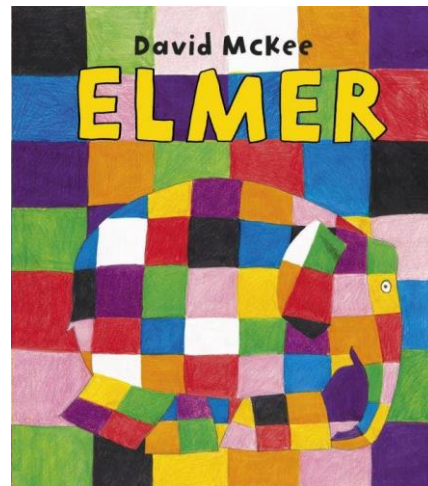

**Busy Fingers** - Practise everyday  
Practise putting on and zipping or buttoning up own coat.

#### Monday - PSED

During the story, Elmer realises that he likes being unique and special. What makes you special?

What are you very good at doing?

Draw a picture of something that makes you special and unique.

#### Tuesday Phonics - 'S'

Can you remember the song for 'S'? Sing along with me.

Practise drawing lots of different sized snakes.

Start at the top and slither down the snake.

Can you find some things in your home that start with a ssssss sound?

#### Wednesday - Maths

Practise counting to 10 - can you find 10 toys in your house? Put them in a line from smallest to biggest and count them.

If mummy takes 1 toy away, how many do you have? Count them again.

**Watch BBC Numberblocks - Counting to 10**  
<https://www.youtube.com/watch?v=k4i6fu0bTQ8>

#### Thursday - Physical Development

Cosmic Yoga - Jungle Safari

<https://www.youtube.com/watch?v=C4CaR0syf1g>

Follow Jamie as she explores the jungle finding lots of different animals.

Don't forget to get some daily exercise in your garden or by going for a walk.

#### Friday - Science

##### Rainbow Skittle Sweets Experiment

Place skittles in a circle on a plate. You could have fun at this stage trying out different colour combinations and making different shapes with the skittles.

Once you have laid out all the skittles carefully pour some warm water into the centre of the plate. Wait a few seconds and you will start to see the colour dissolving from the skittles and spreading into the water.

Take a picture of your rainbow Skittles.
