

What earthworms have you found?

Start here

Sort your earthworms into two piles, those **with saddles** and those **without saddles**

The saddle is usually a different colour to the rest of the body, and slightly wider.

With a saddle

Mature earthworms

How many did you find?.....

Keep going!

No saddle

Immature earthworms

How many did you find?.....

Watch the earthworms moving - are any of them **stripy**?

Look for dark red bands with a narrow pale band in between.

YES

Stripy earthworms

How many did you find?.....

NO

Are any of the earthworms **green** coloured?

(Dark green, yellow-green or muddy green).

YES

Green worms

How many did you find?.....

NO

Is the head to the saddle all **dark** coloured?

(Dark red, purple-red or brown).

YES

Red earthworms

How many did you find?.....

NO

Is the head to the saddle a **pale** colour?

(White, pink or grey). It may have some darker or red segments.

YES

Pale earthworms

How many did you find?.....
