

GADE VALLEY PRIMARY SCHOOL 200TH CELEBRATION NEWSLETTER

Issue 200
7th March 2025

SPECIAL EDITION

Issue 200...I can't quite believe it! Where has the time gone? September 2013 seems like such a long time ago but in fact it has flown by. As I reflect on the past 200 newsletters, I am reminded of all the wonderful memories of our unique school. Every edition has told the story of the fantastic learning that has taken place, the pupils' hard work, creativity and determination, as well as the tremendous dedication and passion of our staff.

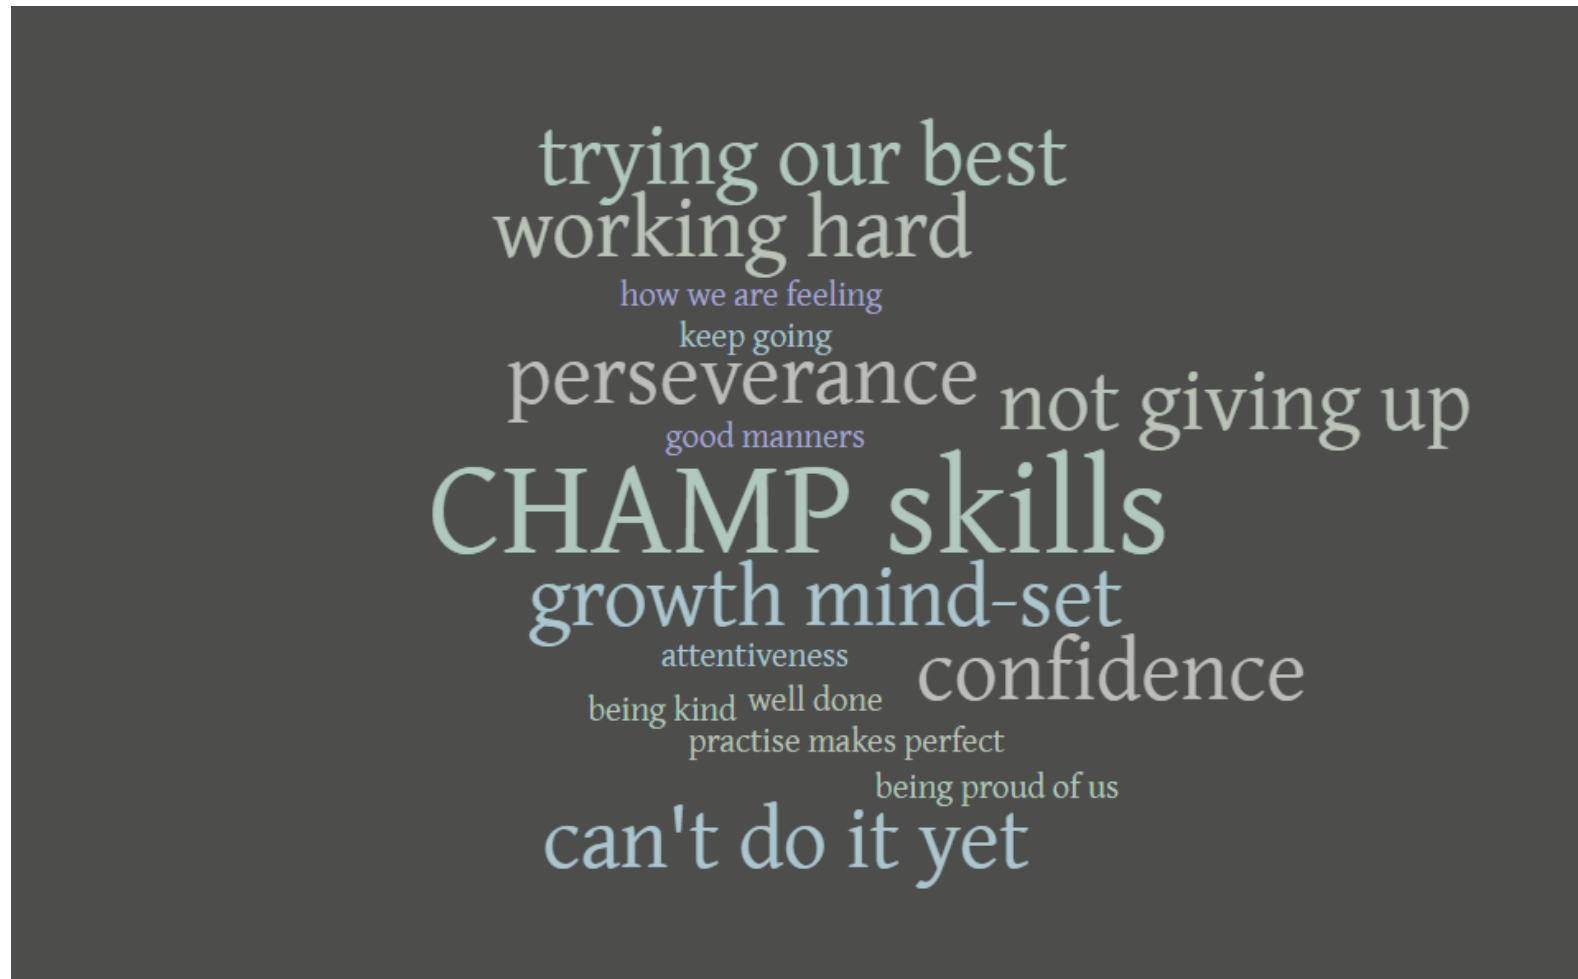

I am immensely proud to be head teacher of such a fantastic school and would like to thank everybody in the school community for their contribution: the staff who are committed and deeply care; the pupils who take pride in the school and amaze us all the time; the parents who want the best for their children and contribute so much; and the governors who give up so much of their time and are such vocal advocates. THANK YOU ALL!

In this special edition, we have reflected on what makes our school so special.

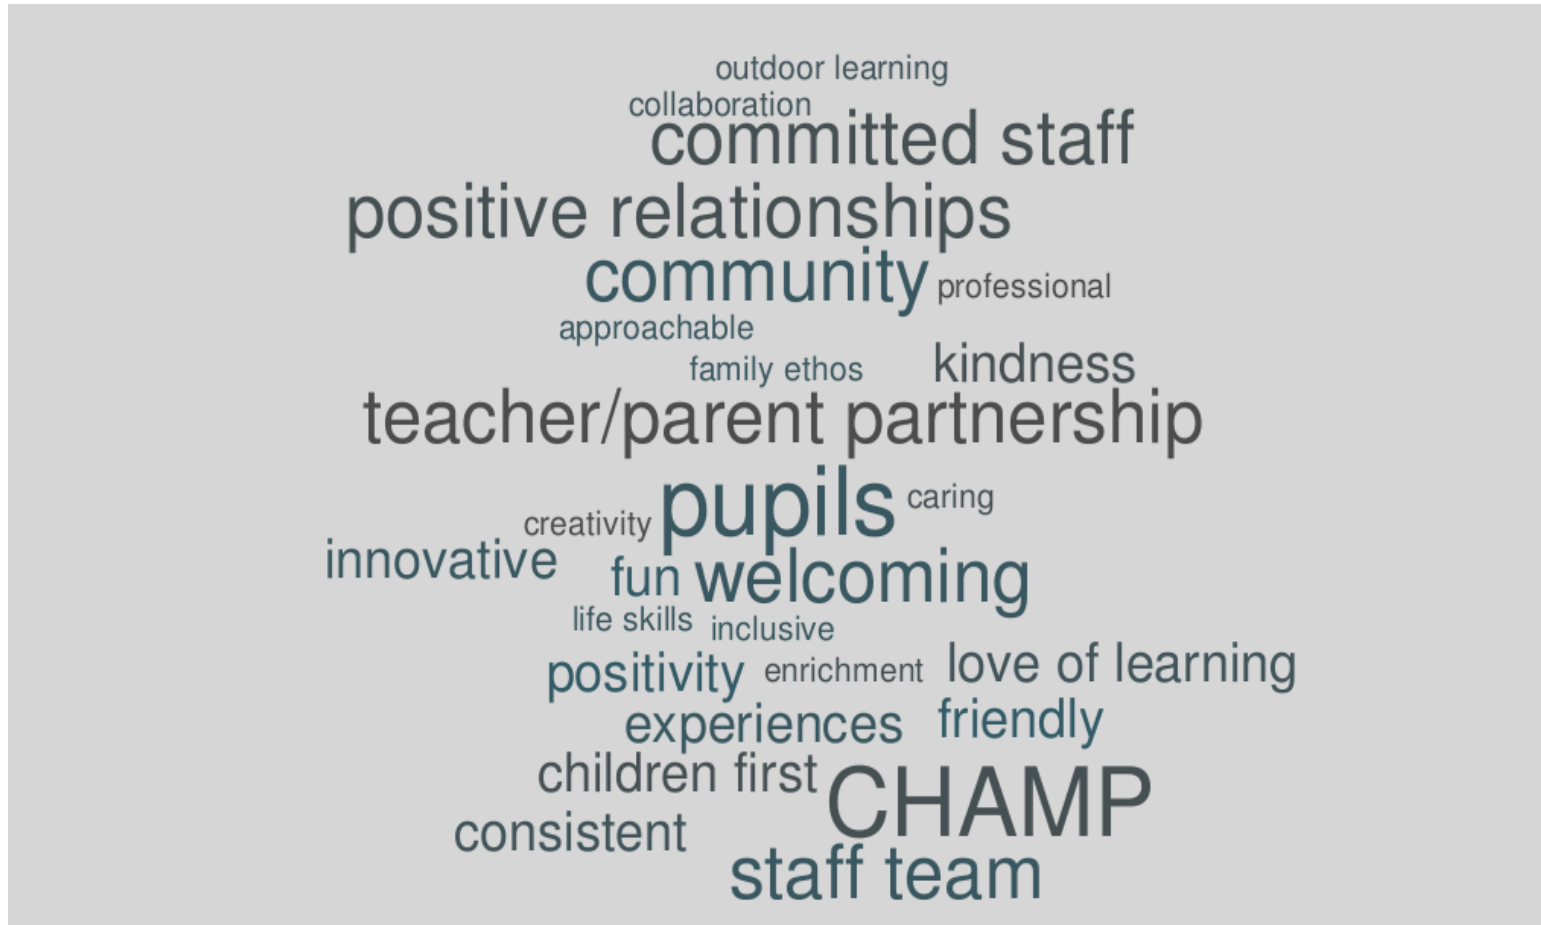

Yours proudly,

Mr Barron

The pupils were asked- what do the staff always talk about?

The staff were asked - what makes Gade Valley special?

The pupils were asked - What do you love about school?
